

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

JESUS HERNANDEZ,

Defendant.

CASE NO. 19-230

DETENTION ORDER

The Court has conducted a detention hearing under 18 U.S.C. § 3142(f), and concludes there are no conditions which the defendant can meet which would reasonably assure the defendant's appearance as required or the safety of any other person and the community.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

Defendant is charged with drug trafficking and possession of a firearm as a felon. He has an extensive criminal history, and prior drug trafficking convictions. The current offense allegedly occurred about a year after he completed his term of supervision for a prior felony conviction. The government proffered that he was originally charged in the state courts and released on bond. When he was arrested on the warrant issued in this case, defendant was with a known drug member and a methamphetamine pipe was recovered. Defendant's past criminal history and performance on state supervision indicates he has struggled with substance use.

It is therefore **ORDERED**:

1 (1) Defendant shall be detained pending trial and committed to the custody of the
2 Attorney General for confinement in a correctional facility separate, to the extent practicable,
3 from persons awaiting or serving sentences, or being held in custody pending appeal;

4 (2) Defendant shall be afforded reasonable opportunity for private consultation with
5 counsel;

6 (3) On order of a court of the United States or on request of an attorney for the
7 Government, the person in charge of the correctional facility in which Defendant is confined
8 shall deliver the defendant to a United States Marshal for the purpose of an appearance in
9 connection with a court proceeding; and

10 (4) The Clerk shall provide copies of this order to all counsel, the United States
11 Marshal, and to the United States Probation and Pretrial Services Officer.

12 DATED this 6th day of June, 2017.
